

GEWA CAMBRIDGE VIOLIN CASE

We have done it again! I don't think anyone expected a successor to the Gordge Deluxe case, but we have got one. We have badgered the largest Instrument & Case supplier in the world to listen to your needs, and they have come up trumps.

This Superb Professional Violin case is Hand Made in Germany to very exacting and high quality standards in the style of Mick Gordge! It is designed as a case to last a lifetime, to provide the utmost protection to your instrument, and also importantly, your bow. It is a traditional Plywood case with a canvas cover, which as you can see is in similar colours to the Gordge. Its strength and quality are what you would expect. The plush Green velvet interior and it has a matching blanket.

It is fully featured, as of course you would expect of such a prestigious case, and would benefit any player.
